

LDWF AND
LOUISIANA SEA GRANT
ARE HOSTING:

AQUATIC VOLUNTEER INSTRUCTOR WORKSHOP

The Louisiana Department of Wildlife and Fisheries (LDWF) and Louisiana Sea Grant are partnering to offer a one-day Volunteer Instructor Program (VIP) workshop to provide education professionals with hands-on classroom activities and lessons. The workshop will prepare you for volunteering at an LDWF event or teaching your students about fisheries science. Topics covered include fish identification, fisheries management, pond ecology and invasive species.

Upon completion, all volunteers receive a binder with lesson plans, activity guides and other educational resources. You will also have access to LDWF loaner kits that will contain the materials needed to teach these difficult topics. The loaner kits range from dissection supplies to fishing poles with tackle.

DATE: DECEMBER 21, 2022, 9 AM – 2 PM

LOCATION: WADDILL WILDLIFE REFUGE

4142 N FLANNERY DRIVE, BATON ROUGE, LA

LINK TO REGISTER: LWFF.GALAXYDIGITAL.COM/

MORE INFO: WWW.WLF.LA.GOV/PAGE/AQUATIC-VIP

LUNCH AND CHILDCARE WILL BE PROVIDED.

We recognize that finding childcare for professional development opportunities can be challenging. Therefore, we will be providing a simultaneous educational enrichment program for students of participants (ages 5 – 12). This way families can share in this experience. There is a limit to the number of students per teacher.
