

## Our Vision

We strive to make a difference in the lives of all children, inclusive of children with autism, or other abilities, and their families create a more appropriate, inclusive, and diverse society.

## Who We Are?

Moving Challenges for Students is a nonprofit with 501(c)(3) credentials. Our organization is committed to creating an inclusive and supportive environment for all children. Inclusive of those children with autism are abilities in Orleans and surrounding areas. We empower children through individualized programs that address educational, recreational, and home needs. We provide evidence-based training to educators and staff that promotes inclusive practices that benefit all students. Our after-school and holiday programs offer opportunities for children with diverse abilities to learn, grow, and thrive alongside their peers.

## Our Program Is Designed To Address These Needs By Offering

1. Individualized attention: Tailored tutoring sessions that cater to each child's unique learning style and pace.
2. Related service providers: Occupational therapy, Speech therapy, and Music therapy services can be provided through our agency
3. Inclusive environment: A welcoming and supportive space where all children feel valued, respected, and encouraged.
4. Skill development: focus on core subjects like reading, writing, and math alongside developing critical thinking, problem solving, and social-emotional skills.
5. Qualified tutors: Experienced and passionate educators, dedicated to nurturing young minds and fostering a love of learning.

## Our Mission

Moving Challenges for students believe that every child, regardless of their background or learning style, deserves the opportunity to thrive academically and build a strong foundation for future success. Our inclusive after-school tutoring program provides a safe, supportive and engaging environment where children ages 5 to 10 can receive personalized academic support develop essential skills and discover their full potential.
