

# Barefoot Technology Academy

*A virtual microschool reimagining education for the radically curious.*

A different type of high school, where brilliant, gifted, and twice-exceptional students are deeply engaged in project work, free to explore their passions, and prepared to excel in university, careers, and entrepreneurship.

Project-Based

STEM-Focused

Mastery-Centered

Passion-Based

Socratic Group Work

Strong Community

Gifted and 2E Learners

Live, Personal, Flexible

## Applications are Open for August 2026!

**Accepting students 13+**
